Administration

Student Accident Insurance

The Board has noticed an increase in incidents of student accidents at schools where the students do not have student accident insurance and parents are phoning asking for assistance. This is a just a reminder that the board has some inexpensive options available to families ...([click here for more information](#))

Important Information re: 2009-2010 School Year

As you may be aware from recent media reports, the fact that Labour Day is very late this year (Monday, September 7, 2009) poses some challenges in determining the school board's calendar for the 2009-10 school year...([click here for more information](#))

Business & Co-op

DECA Provincials

Good luck to our DECA chapter members who are heading to Toronto for the February 5 - 7 Provincial Competition. Our DECA chapter, under the leadership of Mrs. Toni Jaklitsch and Mrs. Ann Marie Moss, has qualified almost thirty students for the competition in Toronto which is an amazing accomplishment! Business Certificate

Did you know that Resurrection offers a Resurrection Business Certificate? A student who successfully completes five (5) business or computer courses at Resurrection and averages at least 75% in those courses is eligible to apply for a Resurrection Business Certificate. Students may want to consider adding a business course or two to their 2009 - 2010 course selections in order to move towards obtaining this prestigious award. [Follow this link for our pathway chart](#). Our business and computer courses provide opportunities for students to acquire many, many transferable skills that are so in demand in our world today! In addition, each of our biz and computer courses has a focus on

'employability skills' which are foundational to success in every career! BIZ @ REZ...it pays!

Expansion of Experiential Learning

The Ministry of Education recently announced a number of changes that open the door to a huge expansion of experiential learning programs across the province. At Resurrection, we have moved quickly to offer new, exciting programs such as the **OYAP Reach Ahead Cook program** in partnership with Conestoga College and **Specialist High Skills Majors in Hospitality and Automotive Services**. In addition, our ongoing programs such as **University Co-operative Education (UCEP)** and two-credit co-operative education are always in demand! Follow the links here to learn more about [all of our exciting co-op programs](#) that are available here at Resurrection, find more information about the [High Skills Major](#), and access full details about [our Board's co-operative education initiatives](#). CO-OP @ REZ...it works!
