## Library @ Rez

### ***Rez Reads is coming!***

From October 26th - 30th, all of Resurrection will be reading...for the fun of it! This week-long special event will feature school-wide reading times, draws for prizes, storytime at lunches, and much more. For more information about Rez Reads, [visit the library's web site and click on Rez Reads!](#)

### ***Rez Reads @ Chapters***

Mark your calendars. On Wednesday December 2nd, we will be hosting a special Rez Reads at Chapters event. Just in time for Christmas, any purchase you make at Chapters Waterloo on this day will benefit the school's library. More details coming soon!

## **Math & Science**

The Department of Mathematics is pleased to present our latest EQAO provincial test scores. Our Academic and Applied grade nine math students continue to exceed provincial averages. [Click here for details.](#)

Get ready for MATH competitions! Senior level students and highly motivated junior level students might be interested in the upcoming "Sun Life Financial Canadian Open Mathematics Challenge" and "The Math League". Resurrection participates in many national competitions written for math students at various academic levels. [Click here for this year's contest opportunities.](#)

The Perimeter Institute presents the "Quantum to Cosmos Festival" (Oct 15-25, 2009). Students enrolled in Physics this semester will be touring P.I. and discovering the principles behind cosmology, space exploration, robotics and quantum physics through new interactive demonstrations, presentations and hands-on activities. Not in a physics class? There are countless events for interesting students and families during this 10 day festival. [Click here for details.](#)

### ***New Science Curriculum***

Please note that the Science curriculum has been changed! Some changes are minor (such as for many senior courses) and some have larger changes (such as grade 9 and 10 Science, Biology and Workplace Science). [Click here for more information.](#)
